Article I. General Provisions

1. Pursuant to Article 10 of the NEWTON University Statute and the current NEWTON University List of Fees (further as "NU"); the Chancellor of NU hereby establishes by means of a Chancellor's Measure a list of fees (hereinafter referred to as the "NU List of Fees").
2. The NU List of Fees determines the current amount of fees charged by NU in connection with studying at NU and other services provided by NU.
3. The specific amount of tuition fees is determined by the respective contract between NU and the NU student or participant in lifelong or continuing education at NU.
4. Specific exemptions, discounts or concessions may be set permanently or for a specific period of time in the assessment of individual fees by means of a decision of the Chancellor. The application of such exemptions, discounts or reductions may be subject to the fulfillment of certain conditions by the NU student or participant in lifelong or continuing education at NU.

Article II. Type of fees and amount of payment

1. The different types of fees, including their specific amounts, are set out in the Annex to this Measure.
2. For NU students enrolled at the place of study Bratislava in the Slovak Republic and for participants in lifelong or continuing education at NU taking place Bratislava in the Slovak Republic, the specific fee amounts calculated in euro currency are applicable (see Annex to this measure).
3. For NU students enrolled in the on-line learning form of the Bachelor's degree programme in Global Business and Management, the specific fee levels are valid in the currency in which the price of their studies (i.e. tuition fees) is set according to the study contract they have signed with NU.

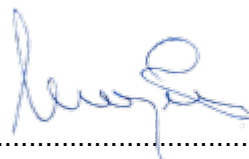

Article III. Permanent discounts and benefits

1. Fees for enrolling in a course beyond the study plan are not applied to students studying under the Premium mode of study or to students of the Global Business and Management English-language programme.

 - a. a 25% discount of the fees levied during the following academic year at NU according to the NU List of Fees (with the exception of the tuition fee itself),
 - b. a 25% discount on other NU products offered during the following academic year that have the character of further and supplementary education above and beyond the accredited teaching (supplementary courses, rehearsals, trainings, teambuilding, etc.).
3. If a prospective student or student has a validly concluded study contract and is permitted, on the basis of his or her application, to pay the tuition fee for the following academic year in no more than two instalments, the first of which must be paid by 30 June of the calendar year at the latest, he or she is entitled to a fee waiver for splitting the tuition fee payment into two instalments.
4. If the relevant contract between NU and an NU student or a participant in lifelong or continuing education at NU contains a price or other more favorable provision for certain fees governed by the NU List of Fees, the language of the contract shall prevail in determining the amount of such fees.

Article IV. Final Provisions
